NOTICE OF COLLECTION OF PERSONAL INFORMATION

1. At any time during your apprenticeship training, you may be required to show this training standard to the Ministry of Training, Colleges and Universities (the Ministry). You will be required to disclose the signed Apprenticeship Completion form to the Ministry in order to complete your program. The Ministry will use your personal information to administer and finance Ontario's apprenticeship training system, including confirming your completion and issuing your certificate of apprenticeship.
2. The Ministry will disclose information about your program completion and your certificate of apprenticeship to the Ontario College of Trades, as it is necessary for the College to carry out its responsibilities.
3. Your personal information is collected, used and disclosed by the Ministry under the authority of the Ontario College of Trades and Apprenticeship Act, 2009.
4. Questions about the collection, use and disclosure of your personal information by the Ministry may be addressed to the:

Manager, Employment Ontario Contact Centre
Ministry of Training, Colleges and Universities
33 Bloor St. E, 2nd floor, Toronto, Ontario M7A 2S3
Toll-free: 1-800-387-5656; Toronto: 416-326-5656
TTY: 1-866-533-6339 or 416-325-4084.

Please Note: Apprenticeship Training and Curriculum Standards were developed by the Ministry of Training, Colleges and Universities (MTCU). As of April 8th, 2013, the Ontario College of Trades (College) has become responsible for the development and maintenance of these standards. The College is carrying over existing standards without any changes.

However, because the Apprenticeship Training and Curriculum Standards documents were developed under either the Trades Qualification and Apprenticeship Act (TQAA) or the Apprenticeship and Certification Act, 1998 (ACA), the definitions contained in these documents may no longer be accurate and may not be reflective of the Ontario College of Trades and Apprenticeship Act, 2009 (OCTAA) as the new trades legislation in the province. The College will update these definitions in the future.

Meanwhile, please refer to the College's website (<http://www.collegeoftrades.ca>) for the most accurate and up-to-date information about the College. For information on OCTAA and its regulations, please visit: <http://www.collegeoftrades.ca/about/legislation-and-regulations>

SCHEDULE OF TRAINING APPRENTICESHIP TRADE

ABORIGINAL CHILD DEVELOPMENT PRACTITIONER- 620B

NB: The following curriculum includes the approved CSAC Vocational learning outcomes required at an Ontario College of Applied Arts and Technology for the Diploma Course.

C. Off-the-Job Instructional Learning Outcomes

Content:

1. Demonstrate knowledge of child development and learning from birth through age twelve by: identifying and applying the general principles of human development; the influence of genetic and environmental factors; the sequence of normal development in the gross, motor, fine motor, and cognitive areas; and the existence of individual differences.
2. Demonstrate an ability to select and apply a variety of observational techniques by: observing and assessing developmental behaviour; analyzing the child's/children's skills, abilities and needs; guiding the child's/children's behaviour; planning, implementing, and revising curriculum and experiences; and identifying, analyzing, and modifying the physical environment to support the child's/children's developmental needs.
3. Demonstrate an ability to foster responsive relationships with individuals and groups of children by: identifying developmentally appropriate interactions; initiating and fostering positive interactions with child/children; responding to child's/children's verbal and non-verbal signals and initiating experiences/activities to meet the developmental levels and situations; and applying adult interaction and guidance techniques to develop trust and positive interaction patterns.
4. Demonstrate an ability to plan curriculum which provides for the holistic development of individual and groups of children including children with special needs by: identifying and implementing the principles of curriculum planning to meet the child's/children's personalities, learning style and family backgrounds; facilitating planned and spontaneous activities to support child-initiated and incidental learning; identifying learning and/or developmental problems and disabilities; adapting programs to meet needs of individual children; and revising/modifying the curriculum based on analysis of children's response to the curriculum content and goals.
5. Demonstrate an ability to establish and maintain a healthy environment within current legislation, guidelines, and policies by: identifying and ensuring a safe and healthy environment which promote and ensure the physical, emotional and social well-being of child/children and their families; and understanding and applying legislative requirements and program policies.
6. Demonstrate an ability to support and advocate child development and learning philosophies within the context of aboriginal family, beliefs, traditions, culture, and society by: recognizing and being sensitive to and respectful of aboriginal family values, culture, language, goals, expectations, beliefs, and preferences; promoting mutual interaction and respect among children from different backgrounds; developing curriculum, materials, and environments which are sensitive to racism, sexism, and economics, and evaluating, revising, and modifying the curriculum to advocate interaction and respect.

C. Off-the-Job Instructional Learning Outcomes (continued)

7. Demonstrate an ability to develop and maintain intra-personal, interpersonal, and written communication skills with children, families, colleagues, supervisors, and health or social care professionals, and community members by: evaluating and enhancing personal performance, communication, and interaction skills; responding to facial expressions, body language, and verbal communication; developing observation, speaking, and listening skills; demonstrating sensitivity to diversity between and among families; and establishing and maintaining confidentiality and professionalism
8. Demonstrate an ability to identify the impact of legislative/regulatory/band council bodies, social policy, funding, and administrative practices on the quality of early childhood programs by: demonstrating an understanding of governing legislation, professional standards, funding mechanisms, band culture and beliefs, and administrative responsibilities; interpreting and applying related legislation, policies, and procedures in providing quality early childhood programs, and demonstrating an ability to provide support and guidance to families on issues relating to accessibility, affordability and quality care.
9. Demonstrate a commitment to professionalism by: ensuring continuing professional development/competence; researching literature and resources that impact on the social, political, and educational aspects of the profession; identifying and applying an advocacy role; and working within established ethical and professional standards.
10. Demonstrate an ability to formulate and apply personal philosophy within the framework of ethical and professional standards by: articulating and integrating personal philosophy of education and child care to quality practices; examining and applying education traditions and aboriginal philosophies; and a commitment to a code of ethics and professional standards in planning and implementing individual and group programs.
11. Demonstrate the ability to identify the impact of federal and provincial acts on the Native People and their rights as a people by: describing the key aspect of the acts; describe how their roles are affected by these acts; identify their roles as Native Early Childhood Educators under these acts.
12. Demonstrate an understanding of culturally specific and traditional Aboriginal parenting, as it applies to community cultures, by learning and exploring traditional Aboriginal parenting and modern parenting methods and how to apply them in a child care centre.
13. Demonstrate an understanding of the traditional and contemporary native family by: examining both the traditional and contemporary native family and how they have influence the roles and cultural values; and, analyzing, developing, and applying culturally appropriate strategies in the work place.
