Your Apprenticeship Training Standard Logbook details completion requirements. Submit the following:

- completed Apprenticeship Training Standard Logbook with signatures
- proof of hours

**Note:** Diploma requirements vary depending on the Ontario College of Applied Arts and Technology program; in general, bridging should be done at the same College where in-school apprenticeship training was completed.

**Note:** Becoming a member of the CECE is required to become an RECE. Individuals may work in the field without being an RECE, but may be limited in the work they may perform and cannot hold themselves out as, nor use the titles RECE or ECE.
