

APPRENTICESHIP

Construction Craft Workers assist skilled tradespersons and perform labouring activities at construction sites.

Their duties include site preparation and cleanup, handling materials and equipment, and performing demolition, excavation and compaction activities.

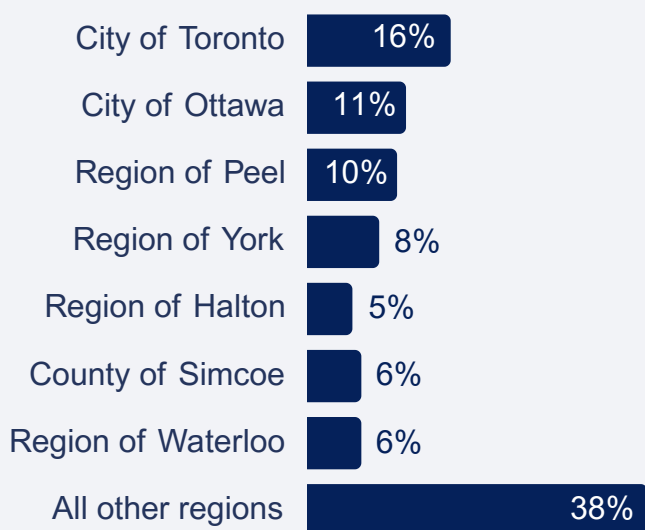

They may also be responsible for site security.

Academic entry grade	Grade 10
On-the-job training	2,400 hours (approximately 1.5 years)
Technical training	480 hours (four months across two levels)
Required skills	Attention to detail, Creativity, Critical thinking, Problem solving

Experienced workers who have not completed an Ontario apprenticeship but have equivalent qualifications or experience in their trade can use the [Trade Equivalency Assessment Process](#).
