Hoisting Engineer – Mobile Crane Operator 2 (339C) Exam Counselling Sheet

The Hoisting Engineer – Mobile Crane Operator 2 (339C) examination is based on the General Performance Objectives; the “Skill Sets” identified in the Training Standard Logbook for the trade. The Training Standard describes the skills and knowledge required to perform the duties of the trade. These standards and the examination were developed in consultation with representatives from trade. The pass mark for the Ontario Certificate of Qualification exam is 70%.

For more information on the Examination process and preparation go to:

[Exam Resources – Skilled Trades Ontario](#)
